## GARDNER-WEBB UNIVERSITY PARTNERSHIP

Healthy Together Cleveland will continue to partner with Gardner Webb University Godbold College of Business to offer marketing students the opportunity to gain field experience in marketing and communication. This semester, Jalen Fearington, senior marketing student will support the coalition's marketing efforts.

Jalen plans to attend our coalition meetings as his schedule permits and will provide updates on his work periodically. He will graduate in May with a Bachelor of Science degree in Marketing. Please welcome Jalen to Healthy Together Cleveland.
